Dear Ann: *Ann,*

Thank you so much for the Community Service Grant of \$1000 from the Rotary Club of Allentown in support of WDIY 88.1 FM's Youth Media Program.

We thank the committee, and Rotarians, for this generous donation, which will be used for software and consumables associated with the program.

If you, or any of the Allentown Rotary members would like to come up for a station tour, be sure to let me know. Or perhaps someone might be interested in observing one of our Youth Media sessions. I'd be delighted to host either visit.

Best wishes for the New Year!

Sincerely,
