

Dear Rotary club of Allentown,

Date 11-16-11

Thank you for my free dictionary. The day you gave me one I thought it would help me on my report of penguins and guess what it did. I use it for my Science time and sometimes I use it for sign language too. and I also use it for math. So I was just saying thank you for those beautiful dictionaries.

Sincerely

Mariah Ely Seruera 3rd grade Student at RIT
