

Dear Rotary Club Of Allentown
Thank you for the dictionary.
I like the dictionary because it helps
me do my spelling and it is a
big thing to help me spell when
I have trouble spelling. I can
go right to my dictionary and if
you don't know what word
is you could go to the dictionary
and you could look it up
the word and you will find
it. I really really love the
dictionary because if you
have trouble with anything
there you even can go see
how to do sign language. The
dictionary will do anything so
again thank you for the dictionary.

Sincerely Brian
