Dear Mr. Epstein,

I heartily apologize that it took me so long to send this communication of thanks, but thank you once again for your visit. Once again the Sheridan students were blessed to have been visited by a wonderful giving partner in the Rotary Club. We cannot thank you enough for bringing the dictionaries to our third grade children. We are very grateful to you for volunteering your time and energy freely to personally deliver the dictionaries.

The best thing about the gift that you bring to our students is that the students use these dictionaries on a regular basis thus verifying their usefulness. Our children are always eager to crack the dictionaries open and use them right away.

Again, please accept our gratitude. We hope you understand the impact you have on our students because your generosity makes a difference in the lives of our students.

Best regards,
