RE: Annual Report **DATE:** October 6, 2010

THANK YOU for your support of the SkillsUSA Council. Enclosed is a copy of our 2009 - 2010 Annual Report, which highlights our accomplishments throughout the past year.

This is our **25th anniversary**, and our past success in preparing students for the workforce has only been possible because of you – our partners in education.

Together we are building a better workforce. Thank you.
